### Additional Review or Approval Update

Additional Review Fee	\$120 per hour	1 hour minimum charge. Additional certification assessment work, includes: - Unannounced inspection review - Additional inspection review - JAS second review - Extensions of scope (additional products, programs, land, sample, etc.) - Additional review time of inspection reports
Transaction Certificate or Export Certificate	\$35 each	Certificate posting fee will be charged at cost
Derogations and Additional Export Reviews	\$35 per hour	Includes requests for derogations and charges for amendments to incorrect export documentation
Non-compliance or Contamination Case Review	\$185	Non-compliances raised with any inspection and outside of inspection cycle. For all contamination cases raised by Accredited Certification Body and/or relevant authorities
Additional Assessment Fees	\$120 per hour	If an Accreditation Body raises a non-compliance against NCO which relates to a CSCA process or customer, NCO will notify CSCA and work with CSCA to resolve the non-compliance as fast as possible, to keep costs low. NCO will confirm if CSCA are failing to comply with NCO system or are hampering the NCO audit process. NCO will prepare detailed invoices after audits relating to CSCA specific non-compliances. This would apply to JAS audits and include hourly rates for Certification and Accreditation

### CSCA Fees & Charges

CSCA Administration Review CSCA Report Writing CSCA Desk / On Site Inspection	\$100 per hour	As per the CSCA Internal Fee Structure. Desk / On Site Inspection working days depend on the complexity and activities of operations, number and distance between sites, sub-contracted activities, completeness of documentation, types of crops, number of cropping seasons, specimens collected, types of processing activities, etc.
